Background Information of search for qualified importers of Ukraine

The DIRECTORY lists the most important Import companies in the Ferrous and non-ferrous metal ores sector and is organized in a uniform way: DIRECTORIES always contain e.g. web address, e-mail address, management details, rankings according to product groups (in the last 5 years), ISO certificates, balance structure (PLC), banking connections, etc.

This series of DIRECTORIES is intended to assist foreign companies in the search for qualified importers and partners in the Ukraine.

The DIRECTORY has been prepared on the basis of the following sources:

• Customs statistics

• Importers' information

• EXIMBASE

• Data from the National Statistical Service of Ukraine

All DIRECTORIES are prepared with due diligence by **UkrResearch group** in association with German specialists of the company **UkrConsult GmbH** and experts of **Büro WBU** (Bureau of Economic Advisor of the Embassy of Ukraine in Germany). This project has been supported by the Customs Office of Ukraine, by the Ministry of Industrial Policy of Ukraine and by a number of regional Chambers of Commerce.
